

hey Caroline

parts & lyrics

main 1

She placed the coffee cup right beside the chart
She told me about this project
with this characteristic shine in her eyes

pre-ch

Her radius, her impetus, her belief
was what I knew

chorus 1

Hey Caroline, there's no glitter in your eyes!
Hey Caroline, where's the power of your heart?
Hey Caroline, what has become of this
hot blooded idealistic girl I once knew, I once loved?

main 2

I couldn't follow the life of Caroline
as closely as I always wanted
And by chance I met her again
twenty years have flown over

Very convincingly she affirmed to be happy
but her eyes told the opposite

pre-ch

Her radius, her impetus, her belief
was what I knew

chorus 2

Hey Caroline, there's no glitter in your eyes!
Hey Caroline, where's the power of your heart?
Hey Caroline, Caroline – what has become of this
hot blooded idealistic girl I once knew, I once loved?

interlude

Ahhh, Caroline, where have your ideas gone?
What has become of you?
Where did this girl go?

solo
